Remove Duplicate Music Files: User Opinions Remove duplicate music, remove duplicate music files, remove duplicate

files with photos and remove duplicate files with documents - all this is needed to thousands of people worldwide. Many

of them already removed duplicate files successfully with Remove Duplicate Music Files. That's what people say about

Remove Duplicate Music Files possibilities:"On our radio station, as on any other, is stored a large amount of music

records. Some of them are played regularly, some of them not. To find needed music record in our audio archive, where

are stored thousands of music files, is very hard. We had to hire a special employee, who categorized records in archive,

but even such salvation was not perfect - we periodically received several thousands of records in a day, and a person

who organized them, could not sort and organize them all and made a lot of errors. All this unsorted music records

collected, collected and collected... One day while real-time broadcasting music clips, prepared to transmission, were lost

in all this chaos and we were forced to break transmission. My colleague from another radio station called me, when

knew about incident, and advised to use Remove Duplicate Music Files. Over several hours all our thousands of music's

were sorted and organized and even if we are gathering several hundreds of new audio records every day, Remove

Duplicate Music Files easily append them to common music base - right from audio CD's! Thanks very much to all

Remove Duplicate Music Files developers. music file sorter, that they made, really helps people."

Evan Willard, sound producer of radio-station "Voice of Colorado",

"At April issue of "My Computer" magazine I read that Remove Duplicate Music Files – is the

easiest and most user-friendly way to remove duplicate files. I have large music file collection on my computer. Several

first years it was easy to maintain it, but now, when I periodically download variety of music files from Internet it became

very hard to find something in my music files collection. I did not know what to do – variety of folders and in every

of them are MP3 music files those I even never heard. I even wanted to stop collecting of music files, but suddenly come

in mind that article – and I downloaded and started Remove Duplicate Music Files. It was like a miracle –

all my music files were sorted, renamed, organized automatically, exactly as I wanted. Really useful music file sorter

– It is needed for everyone who has music files and wants them to be in ideal order."
